

CURRICULUM VITAE / PERSONAL INFORMATION

Family name, First name: Bastiaens, Philippe

Nationality: Dutch

Date of birth: March 12, 1963

EDUCATION

- 1992 PhD in Biochemistry (with distinction): "Fluorescence relaxation spectroscopy: light on dynamical structures of flavoprotein"
Department of Biochemistry, Agricultural University, Wageningen, NL
- 1988 Degree of Engineering in Molecular Sciences (with distinction): "Specialisation: biochemistry and molecular physics"
Department of Biochemistry, Agricultural University, Wageningen, NL

CURRENT POSITIONS

- since 2006 Director, Department for Systemic Cell Biology, MPI of Molecular Physiology, Dortmund, Germany
- since 2007 Full Professor, Faculty of Chemistry and Chemical Biology, TU Dortmund University, Germany

PREVIOUS POSITIONS

- 2000 – 2006 Group Leader, European Molecular Biology Laboratory, Heidelberg, Germany
Professor, University of Amsterdam, Amsterdam, NL
- 1997 – 2000 Group Leader, Cell Biophysics Laboratory, Imperial Cancer Research Fund, UK
- 1993 – 1996 Postdoc, Department of Molecular Biology, MPI for Biophysical Chemistry, Göttingen, Germany

FELLOWSHIPS AND AWARDS

- 2013 ERC Advanced Grant
- 2010 Leica Scientific Forum Speaker in "Advances in Life Science", Sydney, Melbourne, Brisbane, Australia
- since 2008 Elected EMBO Member
- 1993 Prize for Biochemistry and Molecular Biology of the Netherlands Society for Biochemistry and Molecular Biology (NVBMB)
- 1992 – 1993 Research Fellow, Royal Dutch Academy of Sciences, Royal Dutch Academy of Sciences, University of Wageningen, Wageningen, NL

TEACHING ACTIVITIES

- since 2007 Professor – Lectures, Seminars and Practicals in Cell Biology and Systems Biology, Faculty of Chemistry and Chemical Biology, TU Dortmund University, Germany
- 2013 Online lectures on Microscopy: Forster Resonance Energy Transfer (FRET) Microscopy and Microscopy: Fluorescence Lifetime Imaging Microscopy (FLIM) in [iBioEducation](#) section on YouTube

ORGANISATION OF SCIENTIFIC MEETINGS

- 2012 Int. Conf. on Systems Biology of Human Disease (SBHD), DKFZ Heidelberg, Germany
- 2011 EMBO Conference Series on Systems Dynamics of Intracellular Communication "Spatial 2011", Engelberg, Switzerland
- 2007 Conference "Dynamics of Intracellular Reaction Networks", MPI Dortmund, Germany

- 2006 EMBO Workshop on Principles of Self-Organization in Living Matter, EMBL Heidelberg, Heidelberg, Germany
- 2005 EMBO YIP Symposium on Quantitative Biology, EMBL Heidelberg, Heidelberg, Germany

INSTITUTIONAL RESPONSIBILITIES

- since 2007 Faculty Member, Faculty of Chemistry and Chemical Biology, Technische Universität Dortmund, Dortmund, Germany
Faculty Member, IMPRS in Chemical and Molecular Biology, Dortmund, Germany
- 2008 – 2013 Faculty Member, International Leibniz Graduate School, S-BLOC, Dortmund, Germany

COMMISSIONS OF TRUST

- since 2016 Member of Editorial Board of Current Opinion in Systems Biology
- 2015 – 2020 Member of the Governing Board of Institute Curie's IC3i PhD Program, Paris, France
- 2014 – 2016 Member of the Board of Trustees, Laser-Laboratorium Göttingen e.V., Göttingen, Germany
- 2012 Vice-President, Evaluation Committee, ANR, Paris, France
- 2011 Member of the Audit Committee PCC (Physico-chimie Curie), Curie Institut, Paris, France
Member of the Strategic Awards Committee, Wellcome Trust, London, UK
Member of the Evaluation Committee, ANR, Paris, France
- 2010 Member of the Evaluation Committee, ETH Zürich, Zürich, Switzerland
- 2009 Member of the Scientific Advisory Committee, Netherlands Institute for Systems Biology, Amsterdam, The Netherlands
- 2008 – 2013 Member of Editorial Board FEBS Journal
- 2008 Member of the Faculty Recruiting Committee, ETH Zürich, Zürich, Switzerland

Other Ad hoc reviewer for scientific journals and granting agencies, including among others Cell, Molecular Cell, Nature, Nature Cell Biology, Nature Chemical Biology, Science, Molecular Systems Biology, eLife, EMBO Journal and Human Frontier Science Program, Swiss National Science Foundation, Deutsche Forschungsgemeinschaft, European Research Council

MEMBERSHIPS OF SCIENTIFIC SOCIETIES
